

Cycle Centre

Entrance

For cycle payment and collection, main entrance is via a queuing system via level access. Should an individual have difficulty standing in the queue, please ensure that you approach a member of staff directly in the Cycle yard.

Guests hiring scooters and wheelchairs and guests using wheelchairs should proceed straight to the payment desk.

Accessible Toilet

An accessible toilet is available at the Cycle Centre but a portable ramp is required to access the building and should be requested from the Cycle Centre.

The Cycle Centre yard has level access throughout. On arrival day these areas are very busy.

Cycle Fleet

As well as the standard cycle fleet, we have limited numbers of the following. Please note pre - booking is always recommended as these items are available on a first come, first served basis.

Duets: A three wheeled adapted adult cycle providing transport for one able bodied cyclist and one person in a wheelchair which is transported between the handlebars of the cycle. The wheelchair may be detached for use around the village, however, it may not be as comfortable or as easy to manoeuvre as a standard wheelchair. The wheelchair can be adapted to accommodate smaller adult guests/larger children using proprietary cushions, however it may not be suitable for all sizes.

Please discuss individual needs with staff using the Guest Care line.

Adult Tricycles: three wheeled cycle. These are more stable than a bicycle. However, these will **not** corner at speed. If you are used to riding a normal cycle, these are not recommended because the means of balancing on a tricycle is different, meaning cyclists may overbalance, particularly on corners.

Tandem: Available to guests where one person has a visual impairment. Extremely limited availability.

Mobility Scooters: Available for adults only, with electric motors and controlled by hand levers. These must be collected by the individual who is to operate them to ensure that the person is briefed in their safe operation.

(Deposit and payment is required for this item).

Wheelchairs: Manual wheelchairs are available (deposit only is required for this item).
